Highly motivated and detail-oriented Front-End Developer with a strong foundation in HTML, CSS, JavaScript, and modern front-end frameworks like React. Recently completed a certification in web development, gaining hands-on experience in building responsive, user-friendly websites and web applications. Proficient in translating UI/UX designs into high-quality code and ensuring cross-browser compatibility. Strong problem-solving skills and a passion for learning new technologies. Looking to contribute to a dynamic team and grow in a collaborative environment. Eager to apply technical skills and creativity to deliver seamless user experiences and drive project success in a professional setting.
